K.Subba Rao, Esq., B.A.,
Secretary to Government of Mysore,
General Department, BANGALORE.

Sir,

I have the honour to state that Professor K.B.Madhava, Special Officer, Population Data Committee of the Governmen of India tells me that the Government of India want the Mysore Census Slips to be sent to the Statistical Laborator Presidency College, Calcutta, in charge of an official not lower than ~~that of~~ in rank a clerk, by railway parcel or as personal luggage. I understand that the Government of India will bear the cost. But this Government has got to advance it now. I request sanction to depute a clerk from my office to take the boxes containing the slips to Calcutta and to pay him an advance of Rs.300/- to cover his railway fare and other travelling charges to and fro and the freight charges for the boxes. As Professor

Professor Madhava is leaving Mysore on the 15th and as he desires the clerk to accompany him, I request that the orders of Government may be obtained to-day only, if possible, for deputing the clerk and for giving him the advance.

Professor Madhava also tells me that it would be very convenient for the clerk to start from Mysore instead of from Bangalore to overcome certain railway difficulties. This arrangement may also be kindly approved.

I have the honour to be,
Sir,
Your most obedient Servant,

Special Officer.
